

A premier supplier of
Telecoms expertise

tangent
INTERNATIONAL

Global Presence

Tangent specialise in the supply of telecommunications expertise. Wireline from 1974 and wireless since 1989 – We have helped develop and support each new generation for more than 30 years.

Our consultants come from 220 nations, and have worked in over 175 countries on our behalf. Their enthusiasm and excellence continues to help fuel the meteoric growth in communications.

Similarly our dedicated telecoms research teams have always ensured that no skill is too hard to find, no role too hard to match.

- ◆ Construction Manager
- ◆ Rollout Manager
- ◆ CW Manager

“Thank you for the professional service which you provided when assisting me with the hiring of a Senior Solutions Engineer. The quality of the candidates which you provided was excellent and the efficiency with which interviews were scheduled was exceptional. For business critical cases I would have no hesitation in recommending your services to my colleagues both here in Greece as well as internationally.”

OEM Customer Greece

Terminals

Tangent’s specialist terminals group are the foremost handset recruiting team in the world. They have supported the development of each new generation of handsets (1, 2, 2.5, 3 and 4G). They are able to identify entire teams, or simply provide the right individual for a specific role.
